Pick Rotation Tracker

Everyone gets a turn; no one picks twice in a row. One page covers a whole year of meetings.

House rules (choose before round 1)

- ☐ Picker also plays host, or passes
- ☐ Pass on a pick once per year, guilt-free
- ☐ Picker announces at the end of meeting
- ☐ No such thing as a “bad” pick

All the way up . . . up . . . sideways . . . down . . . and the honest honor roll: **N** = never finished, **S** = skimmed, **A** = audible half.

Ties go to: the book the picker would lend a friend. **On deck:** next round’s picker should leave tonight *holding a title*, not a blank look.
